Why Small Groups?

One way success is defined at Briarlake Church is by how effectively our ministries move people from our large environments into small groups. We believe intentional relationships are key to sustained spiritual growth. That's why Sunday School and Connection Groups are such an important part of our discipleship strategy.

Sunday School

On Sunday mornings at 10:15 a.m. there are classes for all ages and life stages. They offer practical and meaningful bible study as well as opportunities for fellowship, ministry and service. It is the place to make new friends and find spiritual and personal support for everyday life.

Connection Groups

In a Connection Group, people study God's word together and discuss the issues and challenges of life. It's also where they pray, care for one another, and are missed if they don't show up. For a list of connection groups not meeting on Sunday morning, please contact David Sander at d-sanders@briarlakechurch.org or call the church office (404) 325-4214.

Get Connected!

Practically speaking, there will never be a way for the staff or elders to personally minister to everyone who attends our church. That's why we place such a high premium on group life. It's how we minister effectively at Briarlake Church.
